

Johnston Health Home Care & Hospice Volunteers Present

# 2019 Hospice Happening and We Need Your Help!

*As a community, we will come together to highlight the important services offered through Johnston Health Home Care and Hospice and the SECU Hospice House.*

The hospice volunteers are gearing up for this year's fundraiser, Hospice Happening, an event which provides hospice educational seminars and raises money for the hospice volunteer fund which supports:

- Stocking the family kitchen with foods and beverages
- Weekly and holiday meals for families and visitors
- Toiletry and comfort items for grieving family members
- Bird feeders and birdseed for our patients to enjoy
- Celebrations for patients – birthdays, anniversaries, weddings

This year, our goal is to upgrade the children's playroom and provide artwork for the SECU Hospice House. We need your help to meet our **\$10,000** goal! Please consider sponsoring at the levels listed below and have your name listed on our Board of Thanks displayed at the event.

- Platinum (\$1000 or more)
- Gold (\$500 or more)
- Silver (\$250 or more)
- Bronze (\$100 or more)
- Hospice Friends (\$25 or more)
